Make-up TA Session on Jun. 1 (Mon)

Three Deadlines Before We Meet In Person On 6/2

How To Present In Science

Storyline

- In every presentation or speech, there needs to be a **story**.

Storyline

- In every presentation or speech, there needs to be a **story**.

Level of Audience

- You will inevitably lose some of your audience along the way. But you should do your best to **minimize the leak**.
